CONFERENCE ANNOUNCEMENT

(LEGISLATORS)

On Thursday, December 7, 2006, the MaineDOT, Maine Better Transportation Association, and the Maine Section of the American Society of Civil Engineers are proud to sponsor the 56th Maine Transportation Conference at the Augusta Civic Center. This conference will provide individual and panel presentations on various policy and technical aspects relating to the theme "The Maine Challenge: Funding our Transportation Future".

We would like to invite you to attend this Conference. This year's program is designed to provide an overview of transportation challenges and benefits both in Maine and nationwide. The afternoon sessions are intended to focus on transportation issues facing the State.

The exposition will consist of 60 exhibitors representing transportation organizations, transportation safety and advocacy groups, design consultants, and product distributors who can provide information to the conference attendees on new products and practices available to them.

Attendees for this Conference will include transportation consultants, policy makers, public works directors, contractors, local transportation representatives, MaineDOT employees and engineering students. We expect a typical turnout of over 600 attendees.

For updated information regarding this Conference, please refer to our website at <http://www.maine.gov/mdot/transcon> or <http://www.mbtaonline.org> (go to Events page).

Registration fees for Legislators are complimentary; however, we do ask that you register.
